

Company Profile

Hebei Yiling Locomotive Co., Ltd. is a technology enterprise specializing in the design, manufacturing and sales of new energy electric vehicles. It has its own electric vehicle brand - VaylingEV. The factory is located in Wanggou Town West City Industrial Zone, Lanshan District, Linyi City, Shandong Province, which has a beautiful environment. It is 1.5 kilometers west of Linyi North 210 Expressway Exit, east of Beijing-Shanghai Expressway, and west of the intersection of West Outer Ring and Wensi Highway, enjoying convenient transportation and superior geographical location.

The VaylingEV brand team is committed to being a modern new energy private enterprise integrating independent research and development, assembly, sales, service and import and export business of high-end special vehicles.

Adhering to the management philosophy of "technological innovation, energy conservation and environmental protection, dedication, focus and professionalism", the team provides electric vehicles with the most cost-effective and comfortable experience for modern transportation, and offers green and environmentally friendly travel for urban residents to cover the last kilometer.

The VaylingEV brand is sold to many countries in Europe, America, Southeast Asia and the Middle East.

BALANCE BIKE

Shaking bike, steadfast growth.
